

NATIONAL ASSOCIATION OF BLACK SUPPLIERS' SCHOLARSHIP FUND

Scholar Guidelines

The National Association of Black Suppliers (NABS) Scholarship Fund is a stipend of up to \$5000 per year for up to four years that can be used for tuition, room and board and fees at a college or university of the recipient choice. The NABS Scholarship is awarded to graduating high school seniors who have demonstrated outstanding academic and community leadership, and who plan to be enrolled full-time in engineering, technology, finance, business or a related curriculum.

Purpose

The intent of the NABS scholarship is to provide financial and academic support to high achieving students who intend to pursue careers in or related to the automotive industry. The scholarship efforts are intended to meet three goals:

- To recognize the accomplishments of outstanding students and encourage their entry into technology and business careers.
